

## SUNDAY SCHOOL PICNIC.

Sunday School Committees Will Meet at Hampton's Office Today.

The spring time is here, which means that the time for picnics is here also. It is the custom of the various Sabbath schools of the city to treat their pupils each year to a day's outing, which is not only a benefit to the pupils, but to the older folks also who desire to go along to keep "the children straight."

This afternoon at 4 o'clock the committees from the various Sunday schools are requested to meet at the office of Col. W. W. Hampton, East Main street N., when the matter will be properly and fully discussed. It is the desire of the various schools this year to give a union excursion and picnic, and from what has been gathered Silver Springs seems to be the favored point. Silver Springs is a beautiful and historic spot, and the committees believe that it would prove a most desirable place for a picnic, since a great many might be induced to visit this favorite spot, where otherwise they might consider the function with indifference. There are a number of beautiful oak and magnolia shade trees on the banks of this famous spring, which will assure plenty of shade and comfort.

The committee will talk this matter over today, but from present accounts there will be but little trouble in the matter of making a decision.

## A PLEASANT AFFAIR.

Mrs. L. C. Lynch Entertains in Honor of Mrs. Walter Hawkins.

Tuesday afternoon from 4:30 to 6:30, Mrs. Louis C. Lynch gave a delightful reception complimentary to Mrs. Walter Hawkins of Jacksonville.

Master Haisley Lynch met the guests at the door, and Mrs. Lynch was assisted in receiving by Mrs. Hawkins and Mrs. F. D. Warner, and in entertaining by Mrs. Watson Porter, Mrs. Samuel Thomas and Mrs. VanDeventer. Serving at the punch tables were Mrs. J. N. Strobhar, Mrs. John Chesnut, Mrs. J. A. Goodwin and Miss Scarratt.

Dainty refreshments were served by Mrs. J. C. Clark, Mrs. A. R. Harper, Mrs. M. B. Saunders, Mrs. George Dudley, Miss Ruth Scarratt and Mrs. G. M. Lynch.

## Will Change Location.

The firm of J. W. McCollum & Co., druggists, who have been conducting business at 106 West Main street, S., have leased the corner store in the opera house block, now being vacated by Carter & Anderson, and will occupy same about May 1.

This is one of the most desirable, as well as most desirably located, stores in the city, and it goes without saying Messrs. McCollum & Co. will make of it an attractive resort.

The change was necessitated on account of a demand for more commodious quarters, occasioned by the growth of the business.

ESTABLISHED 1869.

## NEW YORK ARTIST

Recommends Vinol to Create Strength.

A prominent New York artist, Mr. Jules de Naton, writes: "This is to certify that I have taken Vinol and found it of great value as an appetizer and tonic in general debility. After all other tonics and medicines had failed to help me Vinol built up my strength and invigorated my whole system in a remarkably short time. It is certainly a delicious cod liver oil preparation and contains none of the greasy, disagreeable features of old-fashioned cod liver oil and emulsions."

JULES DE NATON.

and I want to recommend Vinol to everyone who is in a weak, run-down, debilitated condition."

This is only another illustration that where all other tonics and emulsions of cod liver oil fail, Vinol will purify and enrich the blood, increase the appetite and create strength.

Druggist W. M. Johnson says: "The reason Vinol accomplishes such remarkable results is because it contains in a concentrated form all the curative, strength-creating properties of that famous old remedy, cod liver oil, but without a drop of oil or grease to upset the stomach and retard its work."

"I wish every man, woman or child in Gainesville who is run-down, tired, debilitated or overworked would try Vinol on our guarantee to return their money if it fails." W. M. Johnson, druggist.

## MILLEDGEVILLE STIRRED

After Wonderful Religious Work in Georgia Town by Dr. Strouse.

Dr. Clarence B. Strouse, after a few days spent in conducting a big tent revival in Milledgeville, Ga., has gone to Helena, Ark., where he will engage in a similar work.

The meeting at Milledgeville was a most glorious one, as has already been published in The Sun. It was a great religious wave which swept the place, and when the noted evangelist left the city there were few unconverted souls.

In writing to a friend in this city, Dr. Strouse says in part:

"It was one of the most successful meetings I have ever seen. Five hundred were converted. All the business houses were closed during services. Scores of old troubles were settled, the whole subject under discussion being religion among the people. Groups of men were often seen on the streets, some in tears, talking of the great blessing they had received. Over fifty cadets from the college were converted at one service."

"The great tent did not begin to accommodate the people. We had two men's meetings during my stay in Milledgeville, and the second was greater than the first, although both were highly successful. All business houses were closed for two hours, and the scene at the close of the last men's meeting beggars description."

## A BIRTH IN ENGLAND.

A Daughter Has Come to the Home of Mrs. Howard Temple.

Mrs. H. F. Dutton has just received the information that a daughter has come to the home of Mr. Howard Temple at Camelot, Mossley Hill, near Liverpool, Eng.

Mr. Temple is well known here, having visited the city on many occasions in the interests of the Dutton Phosphate Company. He is a favorite with all those who have had the pleasure of his acquaintance and all extend to him their congratulations. Mr. Temple has named his daughter Lucille, as he says he remembers hearing the name in Gainesville, and considers it a typical Southern name, the South being a country he is well pleased with.

## HEALTH IS YOUTH.

Diseases and Sickness Bring Old Age.

Herbine, taken every morning before breakfast, will keep you in robust health—fit you to ward off disease. It cures constipation, biliousness, dyspepsia, fever, skin, liver and kidney complaints. It purifies the blood and clears the complexion. Mrs. D. W. Smith, Whitney, Tex., writes April 3, 1902: "I have used Herbine, and find it the best medicine for constipation and liver troubles. It does all you claim for it. I highly recommend it." 50c a bottle. Sold by W. M. Johnson.

## Will Move to Dunnellon.

Carter & Anderson, who have been conducting a grocery in the Edwards block, corner East Union and East Main street, S., for the past few months, have decided that Dunnellon was "the proper place," consequently are moving to that town, where they will engage in business.

The firm is composed of Syd L. Carter and W. B. Anderson. Mr. Carter entertains no idea of leaving Gainesville, but the business at Dunnellon will be under the management of Mr. Anderson.

While the people of Gainesville regret to lose this business firm, they will nevertheless wish them success in their new field.

## A Dandy for Burns.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c, \$1.00 bottle. Sold by W. M. Johnson.

## BEARING DOWN PAINS

3847 Indiana Avenue.  
CHICAGO, ILL., Sept. 27, 1902.

I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them.

About eight months ago I had to take to my bed, suffering with prolapse of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me, told me of Wine of Cardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery. In a few weeks I was out of bed and in three months I was in better health and stronger than I had been in years. I take a dose now, occasionally, of Wine of Cardui and am kept in perfect health.

Mabel Cook

Sec'y, Woodman's Circle No. 70.

Wine of Cardui brings certain relief to women suffering any symptom of female weakness and perfectly regulates the menstrual flow. Wine of Cardui stops bearing down pains by permanently relieving the irritation which weakens the ligaments holding the womb in place. You need not suffer every month if you take this medicine. The periodical discharge will be painless and healthy without continual weakening drains. Wine of Cardui will make your health right and you may treat yourself privately in your own home. Secure a \$1.00 bottle of Wine of Cardui from your druggist today.
